

RURAL SUPPORT TRAINING

Farm Safety Development Program 2

This program covers a range of areas from safely using chemicals to control pests, weeds and diseases to adopting practices around machinery movement on and off properties to reduce the risk of spreading pests, weeds and diseases and meet the Biosecurity Act requirements.

These accredited units of competency will provide you with the skills and knowledge to:

- safely apply, store and transport chemicals
- ensure the safe process of inspecting and cleaning machinery

Duration: 3 days

Fully funded under the Rural Support Training program. Eligibility criteria applies.
