

RURAL SUPPORT TRAINING

Farm Safety Development Program 2

This program covers a range of areas from using equipment such as chainsaws to safely using chemicals to control pests, weeds and diseases.

These accredited units of competency will provide you with the skills and knowledge to:

- safely apply, store and transport chemicals
- perform chainsaw operations and maintenance, including felling small trees in a safe and effective manner

Duration: 4 days

Fully funded under the Rural Support Training program. Eligibility criteria applies.

Monday	Tuesday	Wednesday	Thursday	Friday
