## Farm Safety Development Program 3

For farm and business owners, managers and workers, working in a safe environment is a key responsibility. This program has been designed to provide the opportunity to build safe work practices in and around the workplace.

To ensure the safety of yourself and your workers, this accredited unit will provide you with the skills and knowledge to:

- Plan and prepare for entry and exiting of confined spaces
- Comply with current workplace health and safety legislation and work confidently at heights
